

NOTICE OF LODGING OF CONSENT DECREE
SUBJECT TO PUBLIC COMMENT
(No Action Required)

The United States of America (“United States”) lodges with the Court the attached proposed Consent Decree between the United States, the New Jersey Department of Environmental Protection, and the Administrator of the New Jersey Spill Compensation Fund (collectively, “Plaintiffs”), and Cornell Dubilier Electronics, Inc. (“Settling Defendant”). The Consent Decree resolves the Plaintiffs’ claims against the Settling Defendant in the above-captioned action. In accordance with 28 C.F.R. § 50.7, the United States will publish a notice in the Federal Register that the settlement has been lodged with the Court. Additionally, the New Jersey Department of Environmental Protection will publish a notice in the New Jersey Register that the settlement has been lodged with the Court, in accordance with N.J.S.A. 58:10-23.e.2. For a period of 60 days from the date of publication in the Federal Register and the New Jersey Register, the public has an opportunity to submit comments relating to the proposed Consent Decree.

After the close of the public comment period, the Plaintiffs will evaluate any comments received and will move for entry of the settlement, unless the comments disclose facts or considerations indicating that the proposed Decree is inappropriate, improper, or inadequate. **Accordingly, the United States requests**

that the Court take no action on the proposed Consent Decree until the Plaintiffs move for its approval and entry or otherwise advise the Court.

Respectfully submitted,
